## **BREAKING POINT**

This documentary looks at people transformed by a democratic revolution, who give up their normal lives to fight a Russian invasion, in a war which has killed 10,000 and displaced 1.9 million Ukrainians.

"An impeccably made story-of-a-siege documentary that shows you how a revolution evolves, step by step, into a collective writhing being." - Owen Gleiberman, Variety

**Discussion facilitated by:**

**Hannah Bittner, PCA; Misha Zyryanov & Gail Quenneville, LCSW**

***Misha and Hannah, a Ukrainian-American intercultural couple that met and married in Ukraine, are founders of a non-profit focused on supporting and advocating for the Ukrainian defenders and their families.***
